### GENERAL TERMS AND CONDITIONS

- (1) **Acceptance and Modification:** This order becomes a binding contract, subject to the terms and conditions thereof, upon Seller's written acknowledgement of the Order, its commencement of any performance under the Order, or acceptance of any payment under the Order. Any modification of this order, to be valid must be in writing and signed by Buyer's authorized purchasing representative. Any acknowledgment form or other form of Seller containing terms and conditions of sale submitted by Seller to Buyer shall not have the effect of modifying the terms and conditions hereof. Buyer will consider Seller's request for changes only if such request is made in writing and directed to specific clauses in this order. No change shall be binding upon Buyer unless specifically accepted in writing. In the event that this Order does not state price or delivery terms, Buyer will not be bound to any prices or delivery terms to which it has not specifically agreed in writing. Any terms or conditions proposed by Seller inconsistent with or in addition to the terms and conditions contained in this Order shall be void and of no effect unless specifically agreed to in writing by Buyer, regardless of whether or not such terms and conditions materially alter this Order and irrespective of any payment by Buyer hereunder.
- (2) **Independent Contractor:** Seller is an independent contractor and the employees, agents, or representatives of Seller are not employees, agents, or representatives of Buyer for any purpose including, but not limited to, federal, state, and local tax obligations, unemployment and worker's compensation obligations, social security, and any and all other benefits.
- (3) **Packing and Shipment:** Deliveries shall be made as specified, without charge for boxing, crating, carting or storage unless otherwise specified, and material shall be suitably packed to secure lowest transportation costs and in accordance with the requirements of common carriers. Buyer's purchase order number and bill of lading reference must appear on each invoice. Buyer's count or weight shall be final and conclusive on shipments not accompanied by packing lists. Risk of loss from any casualty to goods ordered hereunder, regardless of cause, shall be Seller's responsibility until the goods have been delivered in compliance with terms of transportation required by this Order. If Seller does not comply with the stated delivery schedule, Buyer may, in addition to any other rights which it may have at law or in equity, require delivery by the most expeditious way, and any charges resulting from the premium transportation shall be fully prepaid and absorbed by Seller. Title to all goods passes at Buyer's dock unless otherwise specified in this Order.

Seller shall pack, mark and ship all goods and supplies in accordance with the requirements of this Order and so as to be in compliance with all applicable transportation regulations and good commercial practice for protection against damage from weather and shipment, including any applicable federal, state and local laws and regulations for the packaging, labeling, transportation and shipping of hazardous materials. (ii) The price for all goods and/or services provided by Seller is all-inclusive and encompasses any and all federal, state, local or foreign taxes and duties that may be applicable, and all installation, testing, debugging, warranty charges, any and all license or use fees, and any other cost of every kind and description associated with Seller's work. (iii) Buyer shall pay Seller after receipt of Seller's proper invoices or vouchers for goods and/or services delivered and accepted, less any deductions provided for in this Order. Unless otherwise mutually agreed in writing and stated on the face of the Order, payment terms are net 45 days from receipt of invoice.
- (5) **Warranty:** Seller warrants that all material and work covered by this order will conform to the specifications, drawings, symbols or other description furnished or specified by Buyer and will be merchantable, of good material and workmanship and free from defect. Seller further warrants that all material covered by this order, which is the product of Seller or is in accord with Seller's specifications will be fit and sufficient for the purposes intended whether expressed or reasonably implied. If any nonconformity under this warranty appears within one (1) year after final acceptance of the goods and/or services, Seller shall promptly and diligently repair, replace or correct (by re-performance or otherwise) such nonconformity at no cost to Buyer (including any transportation costs associated therewith). If repair, replacement or correction is not made in a timely manner to Buyer's satisfaction, then the Buyer may, at its election and in addition to any other remedies available to Buyer at law or in equity, correct or have corrected such nonconformity at Seller's expense.
- (6) **Inspection:** Buyer (and Buyer's customer, if applicable) through any authorized representatives, has the right at all reasonable times and places to inspect and test the goods and/or services being supplied under this Order, including by Seller's suppliers. All articles will be subject to final inspection and approval by Buyer after delivery, notwithstanding prior payment, it being expressly agreed that payment shall not constitute final acceptance. Buyer may reject any article, which contains defective material or workmanship or does not conform to specifications or samples. Buyer may reject the entire shipment where it consists of a quantity of similar articles, and sample inspection discloses that the articles inspected contain defective material or workmanship or do not conform to specifications or samples, unless Seller agrees to reimburse Buyer for the cost of a complete inspection of the articles included in such shipment. Rejected articles may be returned at Seller's risk and expense at the full invoice price plus applicable transportation charges, if any. No replacement of defective material shall be made unless specified by Buyer. Buyer's failure to inspect or test any goods and/or services shall not relieve Seller from responsibility for any defective or nonconforming goods and/or services.
- (7) **Delivery:** Time is of the essence in this order. Production schedules at Buyer are dependent upon the delivery dates specified herein, and delays will substantially impair the value of the contract. Seller shall bear any premium shipping costs necessary to meet contractual delivery

schedule. Seller shall notify Buyer in writing immediately of any actual or potential delay in the deliveries or performance of this Order and such notice shall include a revised schedule using the Seller's best efforts; provided, however, that Buyer's receipt of such notice shall not constitute a waiver to Buyer's rights and remedies for such late deliveries or performance. Buyer reserves the right to cancel this Order without liability to Buyer and without waiver of any other remedies of Buyer if delivery or performance is not effected as specified in the Order or on written shipping authorizations that may be furnished by the Buyer. (ii) Seller agrees to assume and pay all taxes assessed against Buyer's property while in the possession of Seller, and to file all necessary declarations and reports in connection therewith.
- (11) **Changes:** If the articles to be furnished hereunder are to be specifically manufactured in accordance with Buyer's drawings and specifications, Buyer may, by written order, make changes in drawings or specifications.
